TECHNIQUES REVIEW:

"Yarn Over" – To yarn over on a knit row, simply bring the yarn between your needle tips so it is in front (as if you were about to purl). When you knit the next stitch, you will have just created an extra loop on your right needle, which will be treated as a new stitch on your next row.

"SweaterBabe.com's Fabulous & Flirty Crochet" by Katherine Lee is available at www.Amazon.com and bookstores nationwide!

"Slip 1, Knit 1, pssso" – 1) To **slip 1 stitch**, just slip it from the left needle onto the right needle as if to knit it, i.e. insert your right needle into the stitch on your left needle from left to right into the front of the loop... just like you do when you knit a stitch, then just let it slip onto the right needle. 2) Then, **knit 1 stitch** as usual. 3) To **"pssso" (pass slipped stitch over)**, insert your left needle into the slipped stitch now sitting on your right needle and drag it over the stitch just knit and off the needle, just like you do when you bind off stitches at the end of a project. Remember to remove your left needle tip. You have just completed a "Slip 1, Knit 1, pssso", which is essentially a way to decrease one stitch, but in a way that causes the decrease to slant to the right (for looks).

"Knit 2 together" – to decrease 1 stitch:

To knit 2 stitches together, insert your right needle tip into TWO stitches on your left needle from left to right, instead of just ONE.

Wrap yarn around your right needle tip as usual.

Bring this wrapped yarn through BOTH stitches to form your new knit stitch.

"Knit 2 together tbl" – "tbl" means "through back loops". Same to "knitting 2 together" above, except that you insert your right needle into the back halves of the 2 stitches on your left needle, then wrap your yarn around the right needle tip as usual, and bring the wrapped yarn through both stitches to form one new stitch. Using the back loops allows this decrease to slant to the left for a prettier effect in the lace pattern.

FINISHING FOR ALL SIZES

Weave in all loose ends. Lay flat on an ironing surface and pin the scalloped edges down flat. Steam with a warm iron to flatten out natural curling tendency of the hem. Repeat around entire border.

"SweaterBabe.com's Fabulous & Flirty Crochet" by Katherine Lee is available at www.Amazon.com and bookstores nationwide!

CARE INSTRUCTIONS

Hand wash in cool water. Roll gently in towel to remove excess water (do not twist or wring), and lay flat to dry.
